**PLAINTIFF'S MOTION FOR VOLUNTARY DISMISSAL OF ALL DEFENDANTS**

Now comes Plaintiff, Mountain Valley Pipeline, LLC, by counsel, and moves this Court for an order voluntarily dismissing without prejudice all claims against all Defendants, pursuant to Rule 41(a)(2) of the *Federal Rules of Civil Procedure*.

In support of this Motion, Plaintiff submits that no counterclaims have been filed by any Defendant, that no crossclaims or third-party complaints have been filed by said Defendants, and that no defendant will lose any substantial right as a result of the requested dismissal. Plaintiff further submits that given the number of parties involved in the present action, a voluntary dismissal without prejudice of the above-named Defendants by order of the Court would be more efficient than a stipulation by all represented and *pro se* parties.

WHEREFORE, Plaintiff, Mountain Valley Pipeline, LLC, moves this Court to dismiss without prejudice the above-captioned civil action against all defendants.

Respectfully submitted,

**MOUNTAIN VALLEY PIPELINE, LLC**
